Governance is...**

# FAQ

## **Establishing our own processes.**

### **Who is leading this process?**

- Our First Nations are leading the Anishinabek Governance development process.
- At the Grand Council assembly, resolutions passed by your Chief provide negotiators and staff with the direction to build and implement an Anishinabek Governance system.
- You will choose to move forward with your own Anishinabek Governance system. In that way, you are leading the process.
